(f) to be parties to reorganization and to transfer to and deposit with any corporation, committee, voting trustee, or other person, any securities, investments, or obligations of any person who form a part of the Trust Property for the purpose of such reorganization or otherwise;

(g) to participate in any arrangement for enforcing or protecting the interests of the Trust as the owner or holder of such securities, investments, or obligations and to pay any assessment levied in connection with such reorganization or arrangement;

(h) to extend the time (with or without security) for payment or delivery of any debts or property and to execute and enter into release, agreements, and other instruments; and

(i) to pay or satisfy any debts or claims upon any evidence that the Board shall deem sufficient.

7.6. Deposits. Subject to the provisions of the Authorizing Statutes, the Board shall have full and complete power to deposit any moneys or funds included in the Trust Property with an eligible public depository. Such deposits are to be subject to withdrawal in such manner as the Board may determine, and the Board shall have no responsibility for any loss that may occur by reason of the failure of the bank, trust company, or other banking institution with which the moneys, investments, or securities have been deposited. During the term of any such deposit, each such bank, trust company, or other banking institution shall comply, with respect to such deposit,

with all applicable requirements of all applicable laws including but not limited to the Authorizing Statutes.

7.7. Valuation. The Board shall have full and complete power to determine, in good faith, conclusively the value of any of the Trust Property and to revalue the Trust Property.

7.8. Amendment of Restrictions. The restrictions set forth in Sections 8.2 and 8.3 hereof are fundamental to the operation and activities of the Trust and may not be changed without the affirmative vote of a majority of the Participants except that such restrictions may be changed by the Board so as to make them more restrictive when necessary to conform the investment program and activities of the Trust to the laws of the State of Nebraska and the United States of America as they may from time-to-time be amended.

ARTICLE VIII. Limitations of Liability

8.1. Liability to the Trust or to the Participants. No Trustee, officer, or employee of the Trust shall be liable to the Trust or to any Participant, member of the Board, officer, employee, advisor, consultant, or agent of the Trust for any action or failure to act (including without limitation the failure to compel in any way any former or acting member of the Board to redress any breach of trust) except for bad faith, willful misfeasance, gross negligence, or reckless disregard of his or her duties. Any agreements with the Administrator, the Custodian, or the Investment Advisor shall provide for the personal liability of the Administrator, the Custodian, and the Investment Advisor, as the case may be, for a failure to take reasonable measures to restrict investments of Trust Property to those permitted by law and this Declaration. The provisions of this Section shall not limit the liability of any agent (including, without limitation, the Administrator, the Custodian, or the Investment Advisor) with respect to any breach of any contract between the agent and the Board.

8.2. Indemnification.

(a) The Trust shall indemnify, to the extent of the earnings of the Trust and the proceeds of any insurance policies, each of the Trustees and such officers or employees as designated by the Board to receive such indemnification, against all liabilities and expenses (including, without limitation, amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees) reasonably incurred in connection with the defense or disposition of any action, suit, or other proceeding, whether civil or criminal, in which the indemnified person may be involved or with which the indemnified person may be threatened, while in office or thereafter, by reason of being or having been a Trustee, officer, or employee except as to any matter as to which the indemnified person shall have been adjudicated to have acted in bad faith or with willful misfeasance or reckless disregard of his or her duties or gross negligence or, in the case of the Investment Advisor or the Administrator, in violation of the restrictions on investments of the Trust Property.

(b) The provisions of this Section shall not be construed to permit the indemnification of any agent of the Trust with respect to any breach of a contract between the agent and the Board.

(c) As to any matter disposed of by a compromise payment by the Board or any Trustee, officer, employee, advisor, consultant, or agent pursuant to a consent decree or otherwise, no indemnification either for said payment or for any other expense shall be provided unless the Board, after consultation with counsel and other experts deemed necessary, has determined that such compromise payment is or was in the best interests of the Trust.

(d) No Participant shall be liable to any person with respect to any claim for indemnity or reimbursement and any Trustee, officer, employee, advisor, consultant, or agent may satisfy any right to indemnity or reimbursement granted herein or to which they may be otherwise entitled

only out of the earnings on the Trust. The Board may make advance payments in connection with indemnification provided that the person indemnified shall have given a written undertaking to reimburse the Trust in the event that it is subsequently determined that the person is not entitled to such indemnification.

(e) To the extent permitted by applicable laws, the Board shall also have full and complete power to indemnify or enter into agreements with respect to indemnification with any other person with whom the Trust has dealings.

8.3. Surety Bonds. No Trustee shall, as such, be obligated to give any bond or surety or other security for the performance of any of his or her duties.

8.4. Recitals. Any written instrument creating an obligation of the Trust shall be conclusively taken to have been executed by the Trustee, officer, employee, or agent of the Trust only in his or her capacity as Trustee, officer, employee, or agent of the Trust. Any written instrument creating an obligation of the Trust is not personally binding upon nor shall resort be had to the property of any Trustee, Participant, Key Contact, officer, employee, or agent of the Trust and only the Trust Property or a specific portion thereof shall be bound.

8.5. Reliance on Experts. Each Trustee and each officer, employee, or agent of the Trust shall, in the performance of his or her duties, be fully and completely justified and protected with regard to any act or failure to act resulting from reliance in good faith upon the records of the Trust, upon an opinion of counsel or upon reports made to the Trust by any of its officers or employees or by the Administrator, the Custodian, the Investment Advisor, accountants, appraisers, or other experts or consultants selected by the Board or officers of the Trust.

8.6. Liability Insurance. At all times, the Board, through the Administrator, shall maintain insurance for the protection of the Trust Property, the Trustees, Participants, Key

Contacts, officers, employees, and agents of the Trust in such amount as the Board shall deem adequate to cover all foreseeable tort and contract liability to the extent available at reasonable rates.

ARTICLE IX. Interests of Participants

9.1. General. The beneficial interests of the Participants hereunder in the Trust Property and the earnings thereon shall, for convenience of reference, be divided into shares. Shares shall be used as units to measure the proportionate allocation to the respective Participants of the beneficial interests hereunder. The number of shares that may be used to measure and represent the proportionate allocation of beneficial interests among the Participants is unlimited. Within each fund, all shares shall be of one class representing equal distribution, liquidation, and other rights. The beneficial interests measured by the shares shall not entitle a Participant to preference, preemptive, appraisal, conversion, or exchange rights of any kind with respect to the Trust or the Trust Property. Title to the Trust Property of every description is vested in the Trust on behalf of and for the beneficial interests of the Participants. The Participants shall have no interest in the Trust Property other than the beneficial interests conferred hereby and measured by their shares, and they shall have no right to call for any partition or division of any property, profits, rights, or interests of the Trust nor can they be called upon to share or assume any losses of the Trust or suffer an assessment of any kind by virtue of the allocation of shares to them.

9.2. Allocation of Shares.

(a) In their discretion, the Board may from time-to-time allocate shares in addition to the then allocated shares to such Participant for such amount and such type of consideration (including without limitation income from the investment of Trust Property) at such time(s) (including without limitation each business day in accordance with the maintenance of a constant net asset value per share as set forth in this Declaration), and on such terms as the Board may deem best. In

connection with any allocation of shares, the Board may allocate fractional shares. From time-to-time, the Board may adjust the total number of shares allocated without thereby changing the proportionate beneficial interests in the Trust. Reductions or increases in the number of allocated shares may be made in order to maintain a constant net asset value per share as set forth in Section 13.2. Shares shall be allocated and redeemed as one hundredths (1/100ths) of a share or any multiple thereof.

(b) Shares may be allocated only to a Participant of the Trust in accordance with this Declaration. Any Participant may establish more than one subaccount within the Trust for such participant's convenience.

(c) There is no minimum amount of funds that may be maintained in an account in the Trust by a Participant at any one time, and there shall be no limit on the maximum that may be maintained by a Participant in any account provided that the Board may, by resolution, change the minimum or set a maximum.

(d) If the Board changes the minimum total investment to an amount greater than the investment of any Participant at the time that such change becomes effective, the investment of such Participant shall not be redeemed without such Participant's consent.

9.3. Evidence of Share Allocation. Evidence of share allocation shall be reflected in the records of the Trust, and the Trust shall not be required to issue certificates as evidence of share allocation.

9.4. Redemption to Maintain Constant Net Asset Value. The shares of the Trust shall be subject to redemption pursuant to the procedure for reduction of outstanding shares in order to maintain the constant net asset value per share.

9.5. Redemptions. Payments by the Trust to Participants, and the reduction of shares resulting therefrom, are referred to in this Declaration as redemptions for convenience. Any and all allocated shares may be redeemed at the option of the Participant upon and subject to the terms and conditions provided in this Declaration and the governing Information Statement(s). The Trust shall, upon application of any Participant, promptly redeem from such Participant allocated shares for an amount per share equivalent to the proportional interest in the net assets of the Trust at the time of the redemption. The procedures for effecting redemption shall be prescribed by the Board provided, however, that such procedures shall not be structured so as to substantially and materially restrict the ability of the Participants to withdraw funds from the Trust.

9.6. Suspension of Redemption; Postponement of Payment.

(a) Each Participant, by its adoption of this Declaration, agrees that the Board may, without the necessity of a formal meeting of the Board, temporarily suspend the right of redemption or postpone the date of payment for redeemed shares for the whole or any part of any period:

- (i) During which there shall have occurred any state of war, national emergency, banking moratorium, or suspension of payments by banks in the State of Nebraska or any general suspension of trading or limitation of prices on the New York Stock Exchange or American Stock Exchange (other than customary weekend and holiday closing) or;
- (ii) During which any financial emergency when or if disposal by the Trust of Trust Property is not reasonably practicable because of the substantial losses that might be incurred or it is not reasonably practicable for the Trust fairly to determine the value of its assets.

(b) Such suspension or postponement shall not alter or affect a Participant's beneficial interests hereunder.

(c) Such suspension of payment shall take effect at such time as the Board shall specify, and thereafter there shall be no right of redemption or payment until the Board shall declare the suspension or postponement at an end.

(d) The suspension or postponement shall terminate on the first day on which the period specified in (a) above shall have expired (as to which the determination of the Board shall be conclusive).

(e) In the case of a suspension of the right of redemption or a postponement of payment for redeemed shares, a Participant may either:

- (i) Withdraw its request for redemption; or
- (ii) Receive payment based on the net asset value existing after the termination of the suspension.

9.7. Minimum Redemption. There shall be a minimum of one share that may be redeemed at any one time at the option of a Participant.

9.8. Defective Redemption Requests. In the event that a Participant shall submit a request for the redemption of a greater number of shares than are then allocated to such Participant, such request shall not be honored.

ARTICLE X. Record of Shares

10.1. Share Records. The Trust shall maintain records that shall contain:

- (a) The names and addresses of the Participants;
- (b) The number of shares representing their respective beneficial interests hereunder; and
- (c) A record of all allocations and redemptions. Such records shall be conclusive as to the identity of the Participants to which shares are allocated. Only Participants whose allocation of

shares is recorded in the Trust records shall be entitled to receive distributions with respect to shares or otherwise to exercise or enjoy the rights and benefits related to the beneficial interests represented by the shares. No Participant shall be entitled to receive any distribution nor to have notices given to it until it has given its appropriate address to the Trust.

10.2. Maintenance of Records. The Administrator, or such other person appointed by the Board, shall record the allocations of shares in the records of the Trust.

10.3. Owner of Record. No person becoming entitled to any shares in consequence of the bankruptcy or insolvency of any Participant or otherwise by operation of law shall be recorded as the Participant to which such shares are allocated unless such person is otherwise qualified to become a Participant. If not qualified, such person shall present proof of entitlement to the Board and if the Board, in its sole discretion, deems appropriate then be entitled to the redemption value of the shares.

10.4. No Transfer of Shares. The beneficial interests measured by the shares shall not be transferable, in whole or in part, other than to the Trust itself for purposes of redemption. However, shares may be redeemed from one Participant's account and the proceeds deposited directly into another Participant's account upon instructions from an authorized representative of the respective Participant.

10.5. Limitation of Responsibility. The Board shall not, nor shall the Participants or any officer or other agent of the Trust, be bound to determine the existence of any trust, express, implied or constructive, or of any charge, pledge, or equity to which any of the shares or any interest therein are subject or to ascertain or inquire whether any redemption of any such shares by any Participant or its representatives is authorized by such trust, charge, pledge or equity, or to recognize any person as having any interest therein except the Participant recorded as the

Participant to which such shares are allocated. The receipt of moneys by the Participant in whose name any share is recorded or by the duly authorized agent of such Participant shall be a sufficient discharge for all moneys payable or deliverable in respect of such shares and from all responsibility to see the proper application thereof.

10.6. Notices. Any and all notices to which Participants hereunder may be entitled and any and all communications shall be deemed duly served or given if electronically or mailed, postage prepaid, addressed to Participants of record at the electronic or physical mailing addresses recorded in the records of the Trust.

ARTICLE XI. Trustees and Officers

11.1. Number and Qualification.

(a) The initial number of Trustees shall be three (3). Trustees shall be a Key Contact of a Participant, a constitutional officer of the State of Nebraska or their designee, or a representative of an association comprising of Participants, either in whole or in part. The Initial Participants have by this Declaration appointed the following persons as initial trustees (the “Initial Trustees”) with terms ending on the following dates:

Ms. Tammy Wissing, City Treasurer, Lincoln – December 31, 2025

Mr. Chris Anderson, City Administrator, Central City – December 31, 2024

Ms. Janelle Moran, City Administrator/Clerk, Tecumseh - December 31, 2023

Trustees may succeed themselves in office. The appointment of any Trustee (other than an individual who was serving as a Trustee immediately prior to such election) shall not become effective unless and until such person has agreed in writing to serve as a Trustee and to be bound by the terms of this Declaration.

(b) The Board may, at any time and from time-to-time, increase the number of members of the Board and set the initial terms for each additional Trustee provided however, the number of Trustees shall not be less than three (3) nor more than thirteen (13). In the event the Board approves such an increase, the Board shall appoint qualified individuals to a term not to exceed three years. By resolution, the Board may decrease the number of Trustees (but to never less than three) by not filling expiring terms.

(c) Upon expansion of the Board after the Initial Trustees, the Board shall strive to appoint qualified Trustees representative of the various local government entity types that participate in Nebraska CLASS. The Board shall be the sole judge of the appointment and qualification of its members.

11.2. Term. The term of office for a Trustee shall be three years (or less for certain Initial Trustees or Trustees appointed upon expansion of the Board) or until a successor has been appointed and qualified, and such term shall begin at the meeting following the appointment. The terms shall be fixed so that approximately one-third of the terms expire annually.

11.3. Resignation and Removal. Any Trustee may resign by tendering a signed or oral resignation to any officer. The resignation shall be effective upon tender or at a later date according to the terms of the notice. Any Trustee may be removed for good cause by the action of at least two-thirds of the remaining Trustees.

11.4. Vacancies.

(a) A vacancy shall occur in the event of death, resignation, bankruptcy, adjudicated incompetence, or other incapacity to exercise the duties of the office, or removal of a Trustee. If a Trustee shall no longer qualify under Section 11.1, such person shall no longer be a Trustee and a vacancy will be deemed to have occurred. If a Public Agency fails to qualify as a Participant for a

period of 30 days, any Key Contact of that Public Agency who is a Trustee shall no longer qualify as a Trustee and a vacancy will be deemed to have occurred.

(b) In the event of a vacancy, the Trustees continuing in office, regardless of their number, shall have all the powers granted to the Board and shall discharge all the duties imposed upon the Board by this Declaration.

(c) No vacancy shall operate to annul this Declaration or to revoke any existing agency created pursuant to the terms of this Declaration. In the case of a vacancy, a majority of the Board continuing in office acting by resolution may fill such vacancy. Any such appointment shall not become effective, however, until the individual named in the resolution of appointment has agreed in writing to serve as a Trustee and to be bound by the terms of this Declaration.

11.5. Officers. The Board shall annually elect, from among its members, a Chairman, a Vice Chairman, a Secretary, and a Treasurer, who shall have such duties as the Board shall deem advisable and appropriate. Other than a Secretary-Treasurer, no person may hold more than one office at any one time. The Board may also elect or appoint one or more Assistant Secretaries and Assistant Treasurers and such other officers or agents who shall have such powers, duties, and responsibilities as the Board may deem to be advisable and appropriate.

11.6. Meetings.

(a) Meetings of the Board shall be held from time-to-time upon the call of the Chairman, the Vice Chairman, the Secretary, the Treasurer, or a majority of the Trustees. Regular meetings of the Board may be held at a time and place fixed by the by-laws or by resolution of the Board but shall be held at least semi-annually. Notice of any other meeting shall be mailed or otherwise given not less than 48 hours before the meeting but may be waived in writing by any Trustee either before or after such meeting. Any notice of a meeting of the Board or a meeting of a committee of

the Board shall be given as may be required by the Nebraska Open Meetings Act. The attendance of a Trustee at a meeting shall constitute a waiver of notice of such meeting except where a Trustee attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

(b) A quorum for all meetings of the Board or a committee of the Board shall be a majority of the Trustees.

(c) Any action of the Board or a committee of the Board may be taken at a meeting by vote of a majority of the Trustees present providing that a quorum is present. Board members may also participate in a meeting by telephone or by computer conferencing if each Trustee is able to communicate with each of the other Trustees present.

(d) With respect to actions of the Board and any committee thereof, Trustees who have an interest in any matter before the Board or any committee may be counted for quorum purposes. Such Trustee shall not be entitled to vote on any such matter. Trustees may consult with the Board's legal representative to discern whether a Trustee has an interest in a matter before the Board or any committee which would prevent the Trustee from voting on such matter.

ARTICLE XII. Determination of Net Asset Value and Net Income; Distributions to Participants

12.1. Net Asset Value. The net asset value of each allocated share of the Trust shall be determined once on each business day at such time as the Board by resolution may determine. The method of determining net asset value shall be established by the Board and may be set forth in the Information Statement.

12.2. Net Asset Value; Reduction of Allocated Shares.

(a) The Board shall determine the net income (loss) of the Trust once on each business day and such net income (loss) shall be credited proportionately to the accounts of the Participants

in such manner that the net asset value per share of The Fund shall remain at \$1.00. Any change in the constant dollar value shall be made on a pro rata basis by increasing or reducing the number of each Participant's shares.

- (i) The method used for the determination of the net income of the Trust and the crediting thereof proportionately to the respective accounts of the Participants shall be determined by the Board and may be set forth in the Information Statement. Fluctuations in value will be reflected in the number of shares allocated to each Participant. Each Participant will be deemed to have agreed to such reduction by its investment in the Trust and its adoption of this Declaration. The purpose of the foregoing procedure is to permit the net asset value per share of the Trust to be maintained at \$1.00.
- (ii) The duty to make the daily calculations may be delegated by the Board to the Administrator, the Custodian, the Investment Advisor, or such other person as the Board by resolution may designate.
- (iii) The Board may discontinue or amend the practice of attempting to maintain the net asset value per share at a constant dollar (\$1.00) amount at any time and such modification shall be evidenced by notice to the Participants.

(b) The Board may determine the net asset value of any Additional Fund created pursuant to Section 5.3, including establishing one or more Additional Funds with a floating or variable net asset value. The terms of this Section shall apply if the net asset value of an Additional Fund is a constant dollar (\$1.00) value. If the net asset value of an Additional Fund deviates from a constant dollar (\$1.00) value and a deviation from this Section is required to manage the Additional Fund,

the Board shall notify Participants of the policies and methodologies used for the fund's management.

12.3. Retained Reserves. The Board may retain from earnings and profits such amounts as they may deem necessary to pay the debts and expenses of the Trust and to meet other obligations of the Trust, and the Board shall also have the power to establish from earnings and profits such reasonable reserves as they believe may be necessary or desirable.

ARTICLE XIII . Recording of Declaration

13.1. Recording. This Declaration and any amendment hereto may be filed, recorded, or lodged as a document of public record in such place or places and with such official or officials as the Board may deem appropriate. Each amendment so filed, recorded, or lodged shall be accompanied by a resolution of the Board reflecting the amendment and its effective date.

ARTICLE XIV . Amendment or Termination of Trust; Duration of Trust

14.1. Amendment or Termination.

(a) The provisions of this Declaration may be amended or altered, or the Trust may be terminated, by a vote of the Participants pursuant to Article II hereof. The Board may, from time-to-time by a two-thirds vote of the Trustees and after 30 days prior written notice to the Participants, amend or alter the provisions of the Declaration without the vote or assent of the Participants, that the Board, in good faith deems necessary or convenient for the administration and operation of the Trust or to the extent deemed by the Board in good faith to be necessary to conform this Declaration to the requirements of applicable laws or regulations or any interpretation thereof by a court or other governmental agency of competent jurisdiction, but the Board shall not be liable for failing so to do. Notwithstanding the foregoing, no amendment may be made pursuant to this Section that would:

- (i) Change any rights with respect to any allocated shares of the Trust by reducing the amount payable thereon upon liquidation of the Trust or that would diminish or eliminate any voting rights of the Participants except with the vote or written consent of a simple majority of the Participants entitled to vote thereon;
- (ii) Change the limitations on personal liability of the Participants and Trustees; or
- (iii) Change the prohibition of assessments upon Participants.

(b) A certification signed by a majority of the Board setting forth an amendment and reciting that it was duly adopted by the Participants or by the Board or a copy of the Declaration, as amended, executed by a majority of the Board shall be conclusive evidence of such amendment.

(c) Upon the termination of the Trust:

- (i) The Trust shall carry on no business except for the purpose of terminating the Trust;
- (ii) The Board shall proceed to terminate the Trust, and all of the powers of the Board under this Declaration shall continue until the affairs of the Trust have been terminated including without limitation the power to fulfill or discharge the contracts of the Trust, collect its assets, sell, convey, assign, exchange, transfer, or otherwise dispose of all or any part of the remaining Trust Property to one or more persons at public or private sale for consideration that may consist in whole or in part of cash, securities, or other property of any kind, discharge or pay its liabilities and do all other acts appropriate to liquidate its assets; provided, however, that any sale, conveyance, assignment, exchange, transfer, or other disposition of all or substantially all of the Trust Property shall require approval of the principal terms of the transaction and the nature and

amount of the consideration by affirmative vote of not less than a majority of the Board; and

- (iii) After paying or adequately providing for the payment of all liabilities and upon receipt of such releases, indemnities, and refunding agreements as they deem necessary for their protection, the Board may distribute the remaining Trust Property, in cash or in kind or partly in each, among the Participants according to their respective proportionate allocation of shares.

(d) Upon termination of the Trust and distribution to the Participants as herein provided, a majority of the Board shall execute and lodge among the records of the Trust an instrument in writing setting forth the fact of such termination, and the Board shall thereupon be discharged from all further liabilities and duties hereunder, and the right, title, and interest of all Participants shall cease and be canceled and discharged.

14.2. Power to Effect Reorganization. If permitted by applicable law, including without limitation, the Authorizing Statutes, the Board, by vote or written approval of a majority of the Board, may select, or direct the organization of, a corporation, association, trust, or other person with which the Trust may merge, or which shall take over the Trust Property and carry on the affairs of the Trust, and after receiving an affirmative vote of not less than a majority of the Participants, the Board may effect such merger or may sell, convey, and transfer the Trust Property to any such corporation, association, trust, or other person in exchange for cash or shares or securities thereof, or beneficial interests therein with the assumption by such transferee of the liabilities of the Trust; and thereupon the Board shall terminate the Trust and deliver such cash, shares, securities, or beneficial interests ratable among the Participants of this Trust in redemption of their shares.

14.3. Duration. The Trust shall continue in existence in perpetuity, subject in all respects to the provisions of this Declaration.

ARTICLE XV. Miscellaneous

15.1. Governing Law. This Declaration is executed and delivered in the State of Nebraska and with reference to the laws thereof and the rights of all parties and the validity, construction, and effect of every provision hereof shall be subject to and construed according to the laws of the State of Nebraska.

15.2. Counterparts. This Declaration may be executed in several counterparts, each of which when so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument that shall be sufficiently evidenced by any such original counterpart.

15.3. Reliance by Third Parties. Any certificate executed by an individual who, according to the records of the Trust, appears to be a Trustee hereunder or the Chairman, Vice-Chairman, Secretary or Treasurer of the Trust certifying to:

- (a) The number or identity of the Board or Participants;
 - (b) The due authorization of the execution of any instrument or writing;
 - (c) The form of any vote passed at a meeting of the Board or by the Participants;
 - (d) The fact that the number of the Board or Participants present at any meeting or executing any written instruments satisfies the requirements of this Declaration;
 - (e) The form of any by-laws, policies, or procedures adopted by the Board;
 - (f) The identity of any officers elected by the Board; or
 - (g) The existence of any fact or facts that in any manner relate to the affairs of the Trust
- shall be conclusive evidence as to the matters so certified in favor of any person dealing with the Board or the Trust and their successors.

15.4. Provisions in Conflict with Law. The provisions of this Declaration are severable and if the Board shall determine with the advice of counsel that any one or more of such provisions (the “Conflicting Provisions”) are in conflict with applicable Federal or Nebraska laws, the Conflicting Provisions shall be deemed never to have constituted a part of this Declaration. Such a determination by the Board shall not affect or impair any of the remaining provisions of this Declaration or render invalid or improper any action taken or omitted (including but not limited to the appointment of the Board) prior to such determination.

15.5. Adoption by Public Agencies and Election to Become a Participant;
Resignation of Participants.

(a) Any Public Agency may become a Participant of this Trust by:

- (i) Taking any appropriate official action to adopt this Declaration; and
- (ii) Furnishing the Board with satisfactory evidence that such official action has been taken.

(b) A copy of this Declaration may be adopted by executing a written instrument of adoption in such form as may be prescribed by the Board. Delivering fully executed copy of such instrument shall constitute satisfactory evidence of the adoption.

(c) Any Participant may resign and withdraw from the Trust by submitting a written resignation and requesting the redemption of all shares then held by it. Such resignation and withdrawal shall become effective upon withdrawal of the funds. No resignation and withdrawal by a Participant shall operate to annul this Declaration or terminate the existence of the Trust.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their officers thereunto duly authorized as of the day and year first above written.
